

Diocesan School Adviser Support to Schools 2022 – 2023

The **S4S (service level agreement)** with Oxford Diocesan Board of Education (ODBE) details much of the support available to you; this includes **two** credits for school specific support from an ODBE school adviser.

This document offers some examples of ways schools choose to work with members of the adviser team. Each of these activities is bespoke to your school context and will include reference to your school's vision. Activities contribute to developing and enhancing the effectiveness of your school as a Church of England school.

There is also a wide **development, training and support** offer available centrally which can be accessed at reduced rates as part of S4S.

As ever, please do not hesitate to contact me at any time if there is support I can offer.

SIAMS Preparation

- Action planning for areas identified for development from SIAMS inspections
- Website audit review with feedback and comments
- 1:1 SIAMS SEF writing support
- Spirituality development
- Pupil or adult voice for RE, impact of vision, collective worship or being a pupil at a Church of England school

Leadership
